EDUCATION

National Institute Of Technology, Kurukshetra, B.Tech in Electronics and Communications
CGPA: 7.76

2021 – 2025
Kurukshetra, India

Bhartiya Sr. Sec. School, 12th Standard | RBSE
Percentage: 78.80%

2019 – 2020
Sikar, Rajasthan

EXPERIENCES

Learn and Build By TechieNest PVT. LTD, Software Developer Intern

Jun 2023 – Jul 2023

- Developed and maintained web applications using MERN.
- Participated in testing of developed code before deployment to production environments and provided feedback on any bugs found during testing.
- Documented all processes used within the development environment including coding standards, version control procedures, etc.
- Tech Stack used: JavaScript, React.js, Node.js, Express.js, MongoDB

ACADEMIC PROJECTS

ShrinkNLink, Authenticated URL Shortening Application

- Developed signup and login functionality with cookie-based authentication to ensure secure and personalized access to the application.
- Logged-in users can view their shortened URLs and track click analytics for each link, ensuring personalized and secure access to their data
- **Tech Stack:** Node.js, Express.js, MongoDB, EJS, NanoID, Cookies

EchoVerse, Blogging Website

- Designed and implemented user-friendly features, including account creation, login functionality, and the ability for signed-in users to create and manage blogs.
- Implemented a commenting system, allowing users to engage with blog posts by adding comments.
- Implemented user authentication and authorization systems to ensure secure access and interaction.
- **Tech Stack:** Node.js, Express.js, MongoDB, EJS

Weather Information and Local Time Web Application

- Designed and developed a dynamic web application that leverages the Weather API to provide real-time weather information and the local time for a specified location.
- Created an easy-to-use interface that enables users to input a location, such as a city or coordinates, and retrieve relevant weather and local time data.
- **Tech Stack:** HTML, CSS, Bootstrap, JavaScript

SKILLS SUMMARY

Languages

C++

Tools

VsCode, Github, PostMan

SoftSkills

Communication Skills, Teamwork, Time Management, Leadership, Problem Solving

Front-end Stack

Html, Css, Bootstrap, Tailwind, JavaScript, React.js, React-Redux

Back-end Stack

Node.js, Express.js, MongoDB, EJS

HONORS AND AWARDS

AIR 596 in CODEKAZE-SEP'23, Coding Ninja X Naukri

AIR 2693 in CODATHON'23, MANIT BHOPAL X CODING NINJA

Round 2, Coca-Cola Disrupt Season 3
